LARRILAND FARM

Harvest season begins when the strawberry crop ripens in **early June**. The harvest season ends with the apple crop in early November.

Pick your own strawberries and spinach fields are open now. The crops look good. Strawberry season should last through late June.

For more information, please visit their web site [here](#).

WAYS TO SAVE – SUMMER READY

Summer is here! Did you know that air conditioning typically accounts for 40 percent of your energy bill? Below are some helpful tips to save energy and money.

- Raise your thermostat 3 to 4 degrees above normal during the day when you're away.
- Replace air filters monthly.
- Replace weather stripping and caulking around doors, windows, and other areas to improve your homes efficiency.
- Close blinds and curtains during the day and open at night to let heat escape.

GEOCACHING THE HISTORIC FARM

Want to do something fun with your kids or friends? Go Geocache on the beautiful **Howard County Conservancy** meadows and wooded paths. No experience necessary. Look for hidden containers with treats, clues, and interesting info about the farm and its history. The Conservancy has GPS units to borrow, or bring your own.

This event is free and open to the public on **Saturday, June 14 at 10:00 a.m.**

WHAT SHOULD I DO WITH???

Not sure how to dispose of certain items? Can they be recycling, should they go to Alpha Ridge Landfill?
